

AGE NOTES

XLCR Alumni Association of FL Inc.

Issue No. 7

Date: May 1, 2005

Notes from the Editor

April with its 30 days robbed us of one day! For those of us who are always on the run that was catastrophic as we always have so much to pack into each month.

The tax deadline has come and gone so I hope the US residents have squared their tax debts with Uncle Sam.

Listen up! This issue will give you the gossip about the Family Fun Day, the continued progress of the One-Bathroom-at-a-time project, and the plans for the 3rd XMAS bash.

The Alumni board is trying to plan ahead and advertise all the events so we can continue to increase the support from everyone.

Wi want everyone fi com' to di event dem!

Family Fun Day

Thanks to everyone that attended the **Family Fun Day** on **Saturday, April 9, 2005 at CB Smith Park.**

It is always nice to see schoolmates, friends and family of XLCR. We expected a larger crowd but the group that attended made it a pleasant and enjoyable affair.

The kids had lots of fun – the Bounce House and the Clown provided great entertainment for them. They enjoyed the snow cone and cotton candy.

What awesome music Everton provided with his sound - **Disco Sensation!** The music kept us rocking all day. The adults enjoyed dominoes, card games and engaged in some physical events. The egg and spoon race and the shoe race was a lot more exertion than some us could handle.

And then there was the 6-side soccer game – female against male. That was hilarious. We got to see how unfit everyone was – short a breath! Pain inna dem side! Twis' ankle! We almost had to call the ambulance.

A did tell dem fi train before dem com!

Thanks to the Board members and especially to our new addition to the Planning Committee – Maureen Fiddler. Maureen was instrumental in assisting us with all the plans.

The event grossed a minimal amount. It was not intended to be a fundraiser but mainly to provide a forum where we could meet and have fun.

We plan to have this event annually and look forward to it being bigger and better next year.

Thanks again to everyone for their participation!

One- Bathroom-at- a-time project

The actual work has not been started as we are sourcing some specific parts for the bathroom. The plan is to make the bathrooms near the Hall state-of the art. This means we are seeking help in obtaining sensor units for the toilets, faucets and hand blowers. The school plant manager – Mr. Christopher Collins has advised that these parts should be obtained outside of Jamaica as the prices he has been quoted are exorbitant. The board is currently seeking Excelsorians with plumbing businesses in South Florida or any where else in North America that can assist us in obtaining these parts.

We need to get the project underway so the 9th grade bathrooms can be completed before school closes for summer.

Wi a beg fi som' help!!

FI Alumni prepares for the 3rd XMAS BASH Dec. 17, 2005

But wait! Nuh jus' di
odda day wi hav' di
XMAS Bash.
Buoy...time Can fly sah!

Yes you are right; the board is at it again. We have started to plan the XMAS Bash. We have been reviewing venues and trying to decide on the disco. The date is definite so mark **Saturday, December 17, 2005** on your Calendars. The venue will be finalized by the end of May as we plan to have tickets for sale by the end of June. **Stay tuned!**

XLCR Alumni of New York Summer Bash July 23, 2005
