

AGE NOTES

XLCR Alumni Association of FL Inc.

Issue No. 5

Date: March 1, 2005

Notes from the Editor

February was a short month and left us all scurrying to make up for the 3 "missing" days.

We had a low turnout at the Meet & Greet session on February 23rd but we are going to continue hosting these sessions until it catches on. We are going to move the venues around so we can reach out to everyone. Our next session will be in Miami.

The Alumni board sends condolences to a member of the Alumni family – Lloyd Holness whose 14 month old daughter – Jayla, passed away earlier this month. Our prayers are with Lloyd's family.

Plans are in motion for the Family Fun Day on Saturday, April 9, 2005 at the CB Smith Park.

Nuff to talk about inna da issue ya...so read on.

April 9, 2005 Family Fun Day

Mek sure yu redi!

The Family Fun Day is finalized. The place to be on Saturday, April 9, 2005 is CB Smith Park. The park is located at 900 N Flamingo Road in Pembroke Pines. The fun starts at 10:30am.

We are extending invitations to other Alumni groups so we can have some good competition. Try to remember the house you were in because we also want some inter-house competition going on. Bring the kids and we will be responsible for them. There will be a Bounce house, clown and lots of things for them to do. For the adults, there will be "short" races, dominoes, 6-aside soccer and volleyball. Come in sports attire because everybody should participate. For those that do not want to

participate in the activities, just come and chat, cheer on the others and enjoy the Camaraderie and meet people you have not seen in years.

We are relying on you all to come and participate. The success of this event is dependent on you. Let's make this a fun event. Tell everyone about it. This is also for the friends and family of XLCR to enjoy. We want everyone to come and enjoy themselves.

A nuff wuk fi plan dis ting...so be dere!

One-Bathroom-at-a-time project

We ago need nuff help!

A member of the Alumni Board will be visiting XLCR the week of March 21, 2005 to discuss the project with the Principals. We want to get the work started ASAP. The feedback is heart-wrenching as all bathrooms are deplorable. The plan was to start with the bathroom near the Hall but on advice from Alison Peart - Vice Principal it was suggested that the bathroom in the Sick Bay should be the place to start. We want to ensure that the \$2,500.00 donated will be well spent. We will know for sure after the visit in March where we will start. Stay tuned for more information.

Donation to Manning cup team

Respect to Coach Halliman!

Some members of the Alumni Board had the pleasure of dining with the successful Manning cup coach - Lebert Halliman on February 7th. The Board, on behalf of the Alumni Floridians presented Mr. Halliman with a check to XLCR High School for US\$500.00. This money will be used to defray expenses for the Manning Cup team. Mr. Halliman informed us of the work he was doing with the team, both on and off the field. He cited the lack of funds as a big challenge. He felt the health of the students was paramount and it started with good nutrition.

Mr. Halliman's responsibility has expanded as he is not only the coach for the Manning Cup team but for the junior soccer teams as well. We commend Coach Halliman for his hard work and dedication.
